

Iran University of Medical Sciences International Office

Registration Guidelines for New Students at the International Campus, IUMS

Welcome to the International Campus! To ensure a smooth registration process, please read the following steps carefully to familiarize yourself with the necessary procedures and address any potential questions.

STUDENT VISA

After completing the electronic registration process through the designated agency, please direct all inquiries related to your study visa and residence to *Room 201, Ms. Salehi's office*, located in the main building of the International Office.

STUDENT CARD AND DORMITORY INFORMATION

For details regarding dormitory accommodations and student cards, please visit the Student Affairs Office in *Room 202* of the main building of the International Office. You will find assistance from *Ms. Hebeh Jumezadeh*.

STUDENT NUMBER AND UNIT SELECTION

Your student number will be issued after the electronic registration process is completed and your registration is confirmed. The relevant academic expert will manage the selection of your first-semester courses.

Students can view their course selections by visiting the website hamava.iums.ac.ir. If there are discrepancies with the class schedule presented on the website, please contact the relevant expert:

- **For Medical Students:** *Ms. Beit Soudeh* (*Room 201*, Educational Building, International Campus)
- **For Graduate Students:** *Ms. Mansouri* (*Room 211*, Educational Building, International Campus)

RECOMMENDATIONS

- **Prepare Documentation:** Ensure you have all necessary documents ready for the registration process, including identification, previous academic records, and any required financial documents.
- **Contact Information:** Keep the contact information of the relevant offices and experts handy for any questions or issues that may arise during the registration process.
- **Follow Deadlines:** Be aware of registration deadlines to ensure timely completion of all necessary steps.
